

About Us

Our Website is all about the fully grown Organic plants. We bring different varieties of international and national plants at your door-step with no extra charges. Plants arrive from very trusted growers. We believe in Greener and Healthier world.

Director

Jaskaran Singh

I am very passionate regarding the plants and my dream is to make the world green. I am regarding my customers by providing them free delivery. For contacting me, email at jas6969001@gmail.co.
